# DataTracks

**A mark of excellence in regulatory reporting, since 2005**

DataTracks Inc is a pioneering force in XBRL/iXBRL technology, offering top-tier fully managed services for thousands of Edgar, XBRL/iXBRL, and Typeset filings, including SEC submissions.

Our ISO 9001 and ISO 27001 certifications underscore our unwavering commitment to quality and information security. We pride ourselves on our competitive turnaround time, consistently meeting and exceeding industry standards.

With 20 years of experience, our process-driven service delivery function, supported by numerous subject matter experts utilizing our cutting-edge, in-house developed XBRL engine - Rainbow, ensures that your reporting needs are met with unparalleled accuracy and completeness. From meticulous tag selection to clear validation and seamless last-minute edits facilitated through multiple reviews, our round-the-clock support and best practices guarantee a seamless experience, ensuring peace of mind throughout the reporting process. Trust DataTracks Inc to deliver excellent XBRL/iXBRL services tailored to your specific requirements.
